

Easter Display of Trimmed Hats

Our Easter showing has eclipsed anything heretofore on view. If you have not seen the beautiful display come now. It is not too late. We wish to call particular attention to our line of Children's trimmed hats, all at exceedingly low prices.

Ladies' and Children's Hosiery at Almost Half Price

This is a startling statement but nevertheless true. We are changing lot numbers on our stock, hence the great cut in prices. We have placed on our counters odd lots and broken sizes and have cut the prices nearly in half. The lines are all good and every pair of hose warranted. Who can afford to miss this opportunity?

GLUT IN SUGAR SUPPLY BROKEN

VESSELS ARRIVING CONSTANTLY AND BEING DISPATCHED RAPIDLY FOR THE MAINLAND.

The glut in sugar at this port is being broken. A number of vessels have arrived during the last ten days and by the first of the week there will have been sent away over 10,000 tons of sugar. The trades have been prevailing for about a week past and sailing craft from the Coast are putting in their appearance in fast time.

Quite an interesting race was finished yesterday afternoon when the bark Kalulani arrived from San Francisco in 11 days. She sailed from San Francisco with the barks Annie Johnson and Andrew Welch and ship A. J. Fuller. The Annie Johnson got in this morning. The other vessels ought to be reported at any time.

On March 24 there was only one sugar vessel, the bark St. Katherine, in port loading. Today there are eight vessels for sugar including one steamer and since March 24 three sailing craft and one steamer the Alameda, have left for the mainland with sugar.

HEAVY WEATHER DELAYED SHERMAN

TRANSPORT ARRIVED FROM ORIENT AND WILL SAIL TOMORROW AFTERNOON.

The transport Sherman arrived this morning from Manila and Nagasaki, two days behind time. She left Manila March 15 and Nagasaki March 23. Heavy weather delayed the vessel. She has a large crowd of passengers aboard for San Francisco including military and naval people, civilian employees of the government, and the following:

Enlisted Casuals, 204; Company "H," Signal Corps, 49; Hospital Corps, 20; Enlisted men, U. S. Navy, 13; sick soldiers and civilians, 34; general prisoners, 14; Civilians and ex-civilians, emp. Q. M. D. 17; deported men, 10; discharged soldiers, 17; discharged seamen, U. S. Navy, 3. She has no passengers for Honolulu.

The only incident of particular interest occurred April 3 when a soldier of Company B, Seventh Infantry, went over the side of the vessel to his grave. He had been sick for some time past and it is supposed that he jumped overboard. Not until later was it discovered that he had disappeared. James M. Ward was his name.

Among the passengers aboard is Mrs. Egbert, widow of the deceased General Egbert, U. S. A.

Mrs. Bates, widow of the deceased Major Bates, is also a through passenger.

Captain Charles B. Hepburn of the Signal Corps is a through passenger as is Captain W. Clarke of the signal corps.

Col. John L. Chamberlain, Inspector General U. S. A., wife and son boarded the transport at Nagasaki. They are going through to San Francisco.

The Sherman loaded 1,000 tons of coal at Nagasaki for the army depot quartermaster at Honolulu. She will discharge as rapidly as possible, but may not get all of her cargo out. It is likely that she will get away for San Francisco tomorrow at 6 p. m.

The transport Sheridan was reaching Nagasaki March 23 as the Sherman sailed. The Sheridan ought to arrive here today or tomorrow unless she caught heavy weather. The Japanese do not coal vessels nearly so fast in Nagasaki as formerly, as most of the coaling has gone away to serve in the army. Women do most of the coaling at the present time.

WORD FROM THE TEXAN

VESSEL LEFT ST. LUCIA MARCH 29 FOR PHILADELPHIA DIRECT. OREGONIAN LOADS AT HILO.

The S. S. Texan with her big cargo of 11,140 tons of Hawaiian Sugar ought to arrive at her destination today or by tomorrow at the latest. General Agent Morse of the American-Hawaiian line today received advices to the effect that on March 29 she left St. Lucia, British West Indies for Philadelphia direct. She was due at that place yesterday.

There has been a slight readjustment of the inter-island schedules of the American-Hawaiian fleet. The S. S. Nebraskan getting into the harbor this morning from San Francisco will be rushed and dispatched some time tomorrow for Kahului where she will discharge 1,500 tons of freight and start to load 5,400 tons of sugar for San Francisco.

The S. S. Oregonian was to have sent out Monday for Kahului but she will leave here on Monday for Hilo instead. After loading at Hilo she will go up to Kahului and complete her cargo, sailing for Delaware Breakwater from Kahului.

GETS DAMAGES

The Supreme Court this morning gave a decision sustaining the verdict of \$3,000 damages awarded to M. P. Ferreira, father of a lad who was killed by a Rapid Transit car, in a suit against the Rapid Transit Company. The victim of the accident, Manuel Ferreira, was killed November 12, 1901, on Liliha street, while riding on horseback. There were forty-five assignments of error on appeal. The court holds that the motorist should have seen the boy's danger and that the company is liable even though the victim was endangered by his own negligence. E. M. Watson and Holmes & Stanley appeared for plaintiff and Castle and Withington for defendant.

MAUNA LOA ARRIVED.

The steamer Mauna Loa arrived this morning from Maui and Hawaii ports. Pursing Conkling reports that sufficient rain has fallen to enable Hutchinson Plantation to flume the cane. The mill will continue to grind as long as possible. Practically no rain has fallen in Pahaia. Some of the poorer classes have been forced to leave Kona as there is no work and the scarcity of water has caused a depression in business. The steamer brought back 3,000 bags of sugar. A huge whale was seen off Hoopuloa this week. The natives tried to take the whale but the creature smashed one of the canoes with a blow from its tail.

THE HARRY MACFARLANES.

SAN FRANCISCO, March 28.—Mr. and Mrs. Harry Macfarlane arrived on the steamer from Honolulu yesterday, and were met at the dock by a number of friends who have been impatiently awaiting their arrival. Mr. and Mrs. Macfarlane are visiting Mrs. Macfarlane's sister, Mrs. Henry Foster Dutton, and will spend several weeks in this city. A number of pleasant affairs are being planned in honor of the visitors, and their stay will be a gay one if they accept all the invitations showered on them. Mrs. Macfarlane, as Miss Polly Dunn, was one of society's greatest belles, and she has lost none of her charm which distinguished her in those days.
